

man, and as they could not stand the test of *truth*, the committee replied to him as follows:

Mr. George Cuthbert:—Your letters of past and recent dates were received. They were read and carefully scrutinized. In reply the Executive Committee begs to inform you that the accusations preferred against Elder Mosley have proven false and malicious. The reports you gave have also proven conflicting, and from the tenor of your letters it can be clearly seen that you were not prompted by the right spirit. Therefore we do not believe your reports, and wish to advise you to stop sending these detestable letters to this office or to any one in this Assembly.

The course pursued by Elder Mosley in disfellowshipping you from the church is perfectly right. The General Assmably is quite in harmony with same, and whoever co-incide with you should be dealt with accordingly.

Trusting the Lord will help you to see the evil course you have pursued and that you may repent and turn ere it be eternally too late.

By order of the Committee.  
(Sgd.) MRS. L. L. JOHNSON,  
Secretary Gen'l. Assembly.

Having failed to accomplish his aim, he threatens to fight me and stated in a recent letter, that he has a criminal charge against me in Port Limon, Costa Rica. Let me ask this enemy of righteousness this striking question: Who are you that I should be afraid of you?

You know very well that a lion will not fight a pole cat. Not because he cannot whip him, but the lion abominates his muss, knowing that if he wastes time to fight him, the pole cat will surely dirty him up. Therefore even as the lion will not waste time to fight the pole cat, leaving him to die of his own muss; so likewise I will not waste my valuable time to fight you, and thus avoid getting mussed up. As everybody knows the odor of the muss of a pole cat, I need not tell.

Hope you will know how to apply the foregoing and digest same even as you have digested your daily meals.

J. B. MOSLEY.

### GEORGE CUTHBERT, WHO IS HE? AND WHO WOULD WASTE TIME TO FIGHT HIM?

From during the time of Elder Mann's sickness in Port Limon, Costa Rica, Mr. George Cuthbert was trying to poison the minds of the public, as well as our members against me. His sole aim was to overthrow me and the work of Free Seventh-Day Adventists, in order to establish Seventh-Day Baptist, so that he may reign supreme.

Several lying and derogatory letters were written to the Executive Committee of the General Assembly of Free S D. A. against me by this busybody
